PRODUCED BY

THE CAPITAL CITY
FIGURE SKATING CLUB

THE ASSOCIATION OF
AMATEUR FIGURE SKATING
OF THE
SACRAMENTO METROPOLITAN AREA

SANCTIONED BY

THE UNITED STATES FIGURE SKATING ASSOCIATION

After a seven year absence, Bob Simmonds, director of Winter Wonderland of 1951, '52 and '53, is back again at Iceland. His previous show experience, creative ability and talent, combined with a great deal of hard work, have produced another of his outstanding amateur shows of professional caliber — WINTER WONDERLAND OF 1960!

Having started his skating career here at Iceland when he was eleven years old, Bob won many honors in skating competitions and later became a featured skater with Shipstead and Johnsons' famous "Ice Follies." Following this, he returned to Sacramento to produce three outstandingly successful shows and to instruct many pupils who went on to win championships throughout the country.

During his absence from Sacramento, Bob taught at Berkeley, Salt Lake City and Lake Arrowhead. Now in his tenth year of teaching, Bob is again instructing at Iceland.

ABOUT OUR CLUB

Throughout the year — but principally during the school months, September to June — the Club conducts a series of skating sessions for its members of various ages. These are necessarily held before, between or after the rink's public sessions. Saturday and after-school hours are predominant since the large majority of our members are of school age.

The Club engages a professional teacher to provide group instruction for the beginners and other members of the younger age groups. However, a large part of the work is carried on by adult members who serve as volunteer assistants. These include test judges, and senior members who give general assistance in instruction or management of the various sessions.

We have eight qualified test judges: Harlan Bennett, Harrison Slawson, Bill Smythe, Marjorie Long, Bob McCormick, Curt Lewis, and Elaine Pierce; and four dance test judges — Walter and Clara Walton, Jack VrMeer and Gay Goff.

Among the many who assist in conducting the various sessions are Barbara Morrow, Gay Goff, Eleanor Blakemore, Lucille Snyder and Roy Wiegand. The strength of the Club is found in the volunteer work of these and many others of the senior members.
